

YOUR VALUES. YOUR GIVING.

YOUR VALUES. YOUR GIVING.

At the heart of every InFaith Community Foundation donor is the desire to express faith, values and life experiences through giving.

At InFaith, we help design a giving plan that's both personal and effective. You decide which charities to support, when and how much. We provide giving flexibility, proven stewardship and exceptional service so you can act on your giving interests and change lives where it matters most to you.

Whatever path you choose, you will set in motion a lasting legacy that changes lives and spreads joy throughout our shared community.

CHANGING LIVES

InFaith donors are changing lives every day. Their gifts support thousands of organizations throughout our local, national and global communities. And through the process, donors find their own lives changed as well.

SPREADING JOY

People touched by InFaith speak of joy. The joy experienced when someone's life is changed because of charitable support, and the joy experienced in sharing that gift. This joy grows and spreads through each donor gift.
